

THANKSGIVING MENU

SALAD

Add description of your salad or offer your guests options for your different salad options.

MAIN COURSE

Click any text to update it with your own custom text. Write out your menu and explain the dishes you wish to share with your guests.

DESSERT

You can also change the colors of the document if you want. Go to the Design ribbon and choose a different color palette or font palette to customize the look and feel of your document.

DRINKS

Tell us what drinks are available for your menu options.
