

Competitive Analysis

Kit Needham

**Any way the customer
is solving the problem now is
competition**

DIRECT vs INDIRECT

DIRECT – similar products and services

INDIRECT – solving same problem for same target market with a different product or service

Who are **Uber**'s competitors?

Direct?

Indirect?

Competitive Factors

What makes a customer choose one solution over another?

Price – cheaper

Service – faster, personalized, convenient

Quality - lasts longer, stylish, tastes better

**At most, you can only compete
on 2 out of the 3**

Unfair Advantage

Core competency that cannot be copied or bought

- Deep domain expertise (hospital systems)
- One amazing hard thing (Google algorithm)
- Authority (existing reputation in market)
- Dream Team (previous startup success; rock star)
