

CHARACTER REFERENCE LETTERS FOR COURT

To whom it may concern,

Good day!

I am writing this letter on behalf of **Donald Lewis**, who is set to appear before your competent court on **February 8th, 2028**. I request you to dismiss the charges of illegal possession of drugs brought against him. I feel strongly about the goodness of his character and his inability to transgress against statutory ordinances.

Donald Lewis has been a model student ever since his freshman year. There have been no complaints raised against his character from the teachers and students. His homeroom teachers cite that he is a diligent student and a consistent top academic performer. As his guidance counselor, I can attest that he has passed the yearly random drug tests that the academic institution performs over its students showing no signs or traces of any illegal substance in his system.

I am genuinely concerned about the future of the alleged offender and the complications that this situation may generate as it may affect the college applications that he has sent out. I believe that the charges made against him are wrong and that there has been confusion. Please consider my application before you make a decision. Thank you.
