SHS Grant Project - Letter of Interest

The Consortium is gathering information from school districts and BOCES regarding their interest in the SHS Coordinator Grant Project. Completion of the Letter of Interest does not function as a formal application; however, it allows The Consortium to assess the level of interest statewide and helps to secure funding for future grant awards. Please complete the required fields marked with an (*).

*Name: ____________________________  *Email Address: ____________________________

*Employer: ________________  *Job Title: ________________  *Phone #: ____________________________

*Potential collaborating school districts (please list all):

__________________________________________________________________________
