Durable Health Care Power of Attorney

I _____, of _____ County, Pennsylvania, appoint the person named below to be my health care agent to make health and personal care decisions for me.

Effective immediately and continuously until my death or revocation by a writing signed by me or someone authorized to make health care treatment decisions for me, I authorize all health care providers or other covered entities to disclose to my health care agent, upon my agent's request, any information, oral or written, regarding my physical or mental health, including, but not limited to, medical and hospital records and what is otherwise private, privileged, protected or personal health information, such as health information as defined and described in the Health Insurance Portability and Accountability Act of 1996 (Public Law 104—191, 110 Stat. 1936), the regulations promulgated thereunder and any other State or local laws and rules. Information disclosed by a health care provider or other covered entity may be redisclosed and may no longer be subject to the privacy rules provided by 45 C.F.R. Pt. 164.

The remainder of this document will take effect when and only when I lack the ability to understand, make or communicate a choice regarding a health or personal care decision as verified by my attending physician. My health care agent may not delegate the authority to make decisions.

My health care agent has all of the following powers subject to the health care treatment instructions that follow in Part III (cross out any powers you do not want to give your health care agent):

1. To authorize, withhold or withdraw medical care and surgical procedures.
2. To authorize, withhold or withdraw nutrition (food) or hydration (water) medically supplied by tube through my nose, stomach, intestines, arteries or veins.
3. To authorize my admission to or discharge from a medical, nursing, residential or similar facility and to make agreements for my care and health insurance for my care, including hospice and/or palliative care.
4. To hire and fire medical, social service and other support personnel responsible for my care.
5. To take any legal action necessary to do what I have directed.
6. To request that a physician responsible for my care issue a do-not-resuscitate (DNR) order, including an out-of-hospital DNR order, and sign any required documents and consents.
