NOTES

- Visit <http://www.johanjoostephotography.com/weddings.html> to view examples of the photographer's work.
- If desired an appointment can be arranged to view the photographer's portfolio.
- Any package can be structured according to your needs.
- All the packages include color, black & white and sepia toned images.
- The images in any of the photo albums will be selected by the photographer. This is to tell the complete story of your wedding, in the best possible way.
- Three identical CD's with a "Digital Flip Album" will be provided that contains 'samples' of all the photos that were taken.
- Your enlargement photo selection is made from this "Digital Flip Album". These images cannot be copied or printed.
- Some of the images will be displayed on the website, except as agreed otherwise. This will facilitate the sharing of your photos with family and friends.

TERMS AND CONDITIONS

- Seating must be provided for the photographer and an assistant at the reception.
- The booking will only be secured after confirmation with the photographer and a deposit payment. The deposit is nonrefundable.
- The outstanding balance is payable one week before the wedding.
- The photographer retains the copyright to all the images and can use any of the images for promotional purposes except as agreed otherwise.

- If digital (electronic) images are purchased, they may not be altered in any way without the consent of the photographer.
- The photographer still retains the copyright to all purchased electronic images.
- The photographer cannot be held responsible for any circumstance beyond his control, including the loss of images.
- This quotation will only be valid for one month from the date of issue.
