Late Charges If you fail to make all or any part of a scheduled payment more than ten days after its due date, you may be charged a late charge of 10\$ or 5% of the unpaid amount of the Total Payments, whichever is greater.

YOUR PROMISE TO REPAY: To repay the loan we have made to you, you promise to pay Alpha Omega Consulting Group, Inc. ("Lender") the amount financed shown in the Federal Truth in Lending Disclosure Statement ("Disclosure Statement") plus interest on the unpaid amount financed. We will begin charging interest on the date of this Agreement shown above. We will calculate the interest on a daily basis using the annual Percentage Rate by multiplying the daily rate times the unpaid balance of the Amount Financed each day. We figure the daily rate by dividing the Annual Percentage Rate by 365 (or 366, in any leap year). You agree to repay the loan on the payment due date(s) shown in the Disclosure Statement ("Payment Due Dates"). If you have not repaid the loan after the Payment Due Date, you agree to pay interest, as provided by applicable law at the annual Percentage Rate shown in the disclosure Statement. Any payments you make will be applied first to any accrued interest, then to the principal, then to any other charges you owe us. You promise to pay us at the address shown above or at any other address we tell you in writing.

METHOD OF PAYMENT AND SECURITY INTEREST: Today you gave us one or more personal checks ("check") for the payments show in the Payment Schedule of the disclosure Statement and dated as of the final Payment Due Date. You request and we agree to wait to present the Check(s) to your financial institution until the final Payment Due Date, except that you agree we do not need to wait and that we may immediately present the check to your financial institution if you do not make any other payments on or before their applicable Payment Due Date. You agree that we may process your check electronically (make an electronic withdrawal from your checking account) on or after the final Payment Due Date, if you do not process your check electronically (make an electronic withdrawal from your checking account) on or before their applicable Payment Due Date. If you do make an alternative payment of the full amount owing, we will accept it in substitution of the uncashed Check(s) and return the uncashed check to you. Your post-dated check(s) and Wave Assignment are security for this loan. You do not grant us any security interest in, and we waive any rights whic may arise in, the deposit account upon which the Check(s) is/are drawn.
