## Sample Accounting Cover Letter

Mr. Mark Downey  
Human Resource Director  
BKD  
1 Indiana Square, Suite 3400  
Indianapolis, IN 46204

Dear Mr. Downey:

I am writing to share with you my interest in applying for the Accountant position with BKD as recently advertised through the Accounting and Finance Department at Indiana University, Fort Wayne. Not only is BKD a recognized leader in the accounting industry, but it also enjoys an impeccable reputation. BKD comes highly recommended as an outstanding organization with which to work by the Department Chair for Accounting and Finance.

I am especially interested in working for BKD because of your client commitment. I have excelled in basic and intermediate level accounting courses, and feel confident in my abilities as an accountant. I gained practical work experience in the audit department of a smaller accounting firm and also worked in the accounts receivable division for an agricultural company two summers ago. In addition, as a result of my academic accomplishments and leadership, I was asked to serve as a office assistant in the Accounting Department, offering assistance in various ways to first-year accounting students. As a result of these experiences, I am certain that my accounting knowledge and experiences will benefit your firm.

I am currently finishing my Bachelor's degree in Accounting and will sit for the CPA exam in May. Enclosed with this letter is my résumé, which summarizes all of my educational achievements, career-related experience, diverse leadership experiences, honors, and activities.

I would like the opportunity to discuss with you in person my background, qualifications, and how I believe I can make a significant contribution to BKD. I will call you within the next 10 days to discuss when such a meeting would be possible. In the meantime, feel free to contact me at (260) 982-5242, or my email at [jsmith@hotmail.com](mailto:jsmith@hotmail.com) if you have any questions. Thank you for your time and consideration.

Sincerely,

John Smith

Enclosure
