- Fees for service will be based on area(s) to be cleared as per your service agreement: city sidewalk, front sidewalk and steps up to front door, sidewalk to back door, driveway etc.
- Clients can expect that snow clearing may not start until after the snowfall stops except when there is an exceptionally heavy snowfall over an extended time.
- Clients should phone the shoveler if the sidewalk has not been cleared within 48 hours of the last snowfall.
- Should the client or someone other than the shoveler clear the sidewalk, please call the shoveler and advise him/her as soon as possible.

- Snow shoveler will provide sand or ice-melt to be used on sidewalks in icy conditions.
- While the intention of this program is to provide an affordable snow removal service, it may also be an opportunity to encourage youth snow shovelers to develop a positive work ethic.
- In the event that someone has an accident on the customer's property due to snow or ice etc., it is understood that the snow shoveler (s) named on this agreement and all agents will not be held accountable and accepts no liability. If a snow shoveler gets injured or has an accident on the client's property, the client does not accept liability.
